

Greetings! I am thrilled to announce the start of our fundraising efforts to add a new gymnasium/multi-purpose room, twelve new classrooms, and a modern and more secure front office for our school. This idea has been in the works for a number of years. As we come closer to accomplishing our goals, it is my prayer that you will come to have faith in and appreciate the need for a modernized and expanded school building for our existing faculty and student body.

As I reflect on the rich history of Little Flower Catholic School, I can't help but appreciate how our school has influenced some of the most successful members of our community. Year after year, we see alumni from Little Flower graduating at the top of their high-school class with opportunities into college and graduate school. Community leaders, local business owners, respected public servants, and esteemed members of our parish have all graced the halls of our school. We have truly built a legacy here at Little Flower Catholic School.

Now is the time to form a new legacy.

This effort cannot rest on the shoulders of the few. It will take the participation of our entire parish-school community to succeed. I believe the success of our campaign will allow us to continue providing opportunities for students to experience Christ's infinite love in their lives.

I have made my pledge to secure the future of our school. Now I ask, will you join me?

Gratefully,

Annie Di Loreto  
Principal
